But the Rev Comm has intimated to him that as Mr Jambukeswariah was in the mfg for over 3 years

he may be relieved forthwith & directed to hand over at Rajamundry & that he has sent up proposals for appointing a Revenue Officer for the Nyapuram Taluk

(9) The Revenue Board has recommended that Mr. H. K. Shantaveerappa may be appointed as the Revenue Officer of the Nyapuram Taluk in place of Mr. Jambukeswara Iyer

(10) Hitherto it has been the practice, when making appointments of Revenue Officers in Revenue & Magisterial Taluks to send a panel of names of suitable persons to the Board who would finally make a selection therefrom and report the same for the approval of Govt. Owing to the fact that there has been a dearth of suitable persons on account of them having been drawn away for the Food Supply Dept. it will not be possible to send a panel of names at this time to the Nyapuram Board for making a selection therefrom. The procedure so far followed will therefore be short circuited, although the Board is likely to grumble at it, as having lost a privilege hitherto enjoyed by them of having their say in the matter

(11) Hence the recommendation of the Revenue Board for appointment of Mr. H. K. Shantaveerappa may be approved

Sir

Subject - Posting of an Amildar to Krishnarajnagar Taluk -

I have the honour to invite reference to Notification No. 2152/C.B.3-44-7 dated 27th November 1944, appointing Mr. F.L. D'Souza to act as Assistant Commissioner, and posting him as Food Assistant to the Deputy Commissioner, Mandya - - District. Mr. D'Souza has been relieved of his charge on 6th December 1944, and a separate Officer has to be posted to the charge of Krishnarajnagar Taluk.

Mr. H.C. Jambukeswariah, Amildar, (SPT) on other duty in the Mysore City Municipality, is working there for nearly 3 years. I consider that he is an experienced and competent Amildar who may be posted to a heavy charge.

I accordingly propose that Mr. H.C. Jambukeswariah may be withdrawn from the Mysore City Municipality and posted to the Krishnarajnagar Taluk.

I shall submit separate proposals for filling up the place of the Revenue Officer, Mysore City Municipality.

I request the favour of early orders of Government to the proposal.

"Subject Regarding the transfer of Mr H C Jambukeswariah, Revenue Officer of the Mysore City Municipality as Amildar of Nagamangala Taluk "

"Adverting to your notification No Al 924/44-45 dated 27th December 1944 ordering the transfer of Mr H C Jambukeswariah, Revenue Officer of this Municipality as Amildar of Nagamangala Taluk, I have the honour to state that it would result in considerable dislocation of work, if the transfer is to be given effect to without a reliever being posted to the Municipality as no satisfactory arrangement can be made for the conduct of work In this connection, I wish to state that the R A and L C elections have to take place in February 1945 for which satisfactory arrangements have to be made Besides the census operations of the livestock, have to be conducted in the current month Further the quadrenniel revision of assessment which is to come into force from the current official year has been taken up and the Revenue Officer has been the assessing officer therefor The work connected with this has not yet been completed and the temporary establishment sanctioned in this connection has been ordered to be continued till the end of February 1945 A good number of objections petitions have been received against the revision of assessment and a revising authority has been constituted for the disposal of these objection petitions Mr Jambukeswariah is also on the Committee and it would greatly handicap this work if at this stage he is disturbed With a view to expedite the disposal of these objection petitions without any serious retrograde in the collection of the current year's taxes and in order that the impending cattle census and the R A and L C elections may be carried on smoothly, it is very necessary that Mr Jambukeswariah should not be disturbed

19

immediately as the new officer will find it difficult to cope with the work It is very desirable that an officer who is conversant with the details of these items of important work is retained particularly at the time of elections The Deputy Commissioner Mandya District, has sent a D O communication requesting for the immediate relief of Mr Jambukeswariah, as the taluk to which he is posted is without an Amildar for the past 3½ months In view of the circumstances detailed above, it has been found difficult to give effect to the transfer without causing serious dislocation to important R A and L C and other urgent work

I would therefore earnestly request you to be so good as to kindly order the transfer of Mr Jambukeswariah to be held in abeyance at least till the end of March 1945 if it cannot be cancelled It is further requested that in the meanwhile, the selection of a suitable substitute in his place may kindly be made and intimated"

January 2, 1945

My dear Mr Narayanaswami,

I enclose herein a copy of the Revenue Commissioner's Notification No A1-924/44 dated 27th Decr. 1944 regarding the transfer of Mr H C Jambukeswariah the Revenue Officer of this Municipality from which it will be seen that no officer has been posted to this Municipality in place of Mr Jambukeswariah, presumably for the reason that the selection for the post of the Revenue Officer has to be made by the Municipal Council out of the panel of names to be sent by the Revenue Commissioner. In view of the impending R A and L C.Elections to take place in February 1945, the retention of Mr Jambukeswariah for some time more is considered very necessary as he has been well conversant with the details thereof I have therefore addressed the Revenue Commissioner in my letter No M6.405/44-45 dated 2-1-1945 (copy of which is herein enclosed) requesting that in view of the circumstances detailed therein the transfer of Mr Jambukeswariah be held in abeyance at least till the end of March 1945.

Sir,

Subject Transfer of Mr H C Jambukeswariah, Revenue Officer of the Municipality to the Revenue Department as Amildar

Adverting to the correspondence ending with your memo No L 8031 dated the 13th February 1945 in this connection I have the honour to state that the Revenue Commissioner has since furnished a panel of names of Amildars for a selection being made by the Council in his letter No Al 2063/44 dated the 6th March 1945 and the same will be placed before the Municipal Council at the Ordinary Monthly Meeting to be held on the 31st of this month It may take some time before a decision is arrived at in this connection, and the posting of another officer is made The period for which Mr Jambukeswariah is permitted to be retained will expire by the end of this month

In this connection I wish to state that as the collection season has already set in, the collection work which has suffered due to the intervention of the Cattle Census work, R A & L C Elections and Revision of Assessment work, will suffer further if he is to be disturbed without a hand being posted in his place The revision of assessment work is still proceeding on account of the large number of objection petitions received in this connection Even if the new hand can be expected early next month, he would take some time before getting acquainted with his work, with the result that collection work this year will be very unsatisfactory To avoid this contingency, I request that Mr Jambukeswariah may be kept on till the end of the official year

I therefore request you to be so good as to address the
